Christianity's Dangerous Memory: A Rediscovery of the Revolutionary Jesus By Diarmuid O'Murchu

Drawing from the best contemporary scholarship, bestselling author Diarmuid O'Murchu deconstructs the history of Christianity, and specifically the life of Jesus Christ, as it has evolved over the past two thousand years. With rich language and clear metaphors, O'Murchu speaks to every Christian who is fed up with a revisionist Christian doctrine based on banal ideas and who desperately seeks affirmation that the Christian faith is a much bigger, deeper, and more challenging institution than churches have ever acknowledged or proclaimed. According to O'Murchu, Jesus was never an earthly prince, but rather the first rebel, a countercultural outsider who sought to empower the oppressed and marginalized while questioning the core beliefs of longstanding institutions—and ultimately paying a mortal price for his convictions. Using this portrait of Jesus, each chapter addresses a range of common human problems that Christ himself overcame, such as understanding others, resolving hostilities, discovering empowerment by suffering, and preserving personal identity in a globalized world. O'Murchu's stunning conclusions serve to reintroduce the world to the revolutionary Jesus, giving His story new life and relevance for the modern age.

Editorial Review

Users Review

From reader reviews:

Dorothy Wright:

As people who live in the modest era should be up-date about what going on or details even knowledge to make them keep up with the era that is always change and progress. Some of you maybe may update themselves by examining books. It is a good choice for yourself but the problems coming to you is you don't know which one you should start with. This Christianity's Dangerous Memory: A Rediscovery of the Revolutionary Jesus is our recommendation to cause you to keep up with the world. Why, as this book serves what you want and wish in this era.

Eric Johnson:

Reading a e-book tends to be new life style with this era globalization. With studying you can get a lot of information which will give you benefit in your life. Using book everyone in this world could share their idea. Guides can also inspire a lot of people. A great deal of author can inspire their particular reader with their story or maybe their experience. Not only the story that share in the guides. But also they write about the knowledge about something that you need case in point. How to get the good score toefl, or how to teach your children, there are many kinds of book that you can get now. The authors on this planet always try to improve their talent in writing, they also doing some research before they write to the book. One of them is this Christianity's Dangerous Memory: A Rediscovery of the Revolutionary Jesus.

Edward Shaw:

Many people spending their period by playing outside with friends, fun activity using family or just watching TV all day every day. You can have new activity to enjoy your whole day by reading a book. Ugh, think reading a book really can hard because you have to use the book everywhere? It fine you can have the e-book, having everywhere you want in your Touch screen phone. Like Christianity's Dangerous Memory: A Rediscovery of the Revolutionary Jesus which is keeping the e-book version. So , try out this book? Let's notice.

Kristy Douglas:

What is your hobby? Have you heard in which question when you got students? We believe that that problem was given by teacher on their students. Many kinds of hobby, Every person has different hobby. And you also know that little person including reading or as studying become their hobby. You should know that reading is very important and book as to be the matter. Book is important thing to include you

knowledge, except your current teacher or lecturer. You get good news or update in relation to something by book. Many kinds of books that can you take to be your object. One of them is this Christianity's Dangerous Memory: A Rediscovery of the Revolutionary Jesus.
