**Her Hollywood Daddy** By Renee Rose

**A STARLET RUNNING AMOK. THE PRODUCER WHO TAKES HER IN HAND.**

Hollywood starlet Marissa Sparks' career teeters on the brink of implosion. Her mansion is nearly under foreclosure, her rockstar boyfriend left her for a supermodel, and her habits of partying all night, drinking to excess and taking prescription drugs get her fired from her current picture. Her only hope is to convince Joel Sutherland, her co-star and one of the movie's producers to give her another chance.

Joel knows Marissa has talent and a sweet, submissive nature, but believes her mother and sister are a terrible influence. All she needs is a strict daddy to take her in hand and give her some firm over-the-knee discipline and loving guidance. When she shows up at his door begging for his help, he agrees to advocate for her return to the movie on one condition: she must move in with him and live as his Little until filming is complete.

Marissa submits to Joel's dominance and seems to thrive under his structure and protection, but he isn't sure if it's all a ploy to stay in the movie. She is, after all, a talented actress and could be faking everything. At the end of filming, she might just pick up and walk out his front door, taking his heart with her.

Publisher's Note: Her Hollywood Daddy contains elements of ageplay including anal play, spanking and erotic sex scenes.

### Editorial Review

#### Review

"Joel Sutherland is a **Daddy Dom to die for**. He's strict yet understanding. He holds Marissa accountable and he helps her grow yet cuddles her as a cherished little girl. This is many a "little's" fantasy Daddy. This kinky romance is recommended for those who are interested in age-play and want to see the gentler romantic side of it." - *La Crimson Femme / Book Addict*

"**It's not like other age play books I've read**, and I'm not sure why, but I suspect it's because of the charisma of the main characters. ...all of Rose's books are mega-hot, as is *Her Hollywood Daddy*. I think you'll love it." - **Manic Readers**

"I enjoyed seeing how much Marissa "grows-up" as she is allowed to be "little" for Joel. She enjoys the discipline that he brings her. What I enjoyed the more however, was Joel not wanting to over control her. He walked a very fine line that many I think would cross not even realizing it." --*Cocktails and Books*
