**The Conquest of Lady Cassandra (Fairbourne Quartet Book 2) By Madeline Hunter**

**HER PRIDE.  
HIS PREJUDICE.  
THEIR PASSION.**

As headstrong as she is beautiful, Lady Cassandra Vernham defied convention when she refused to marry the man who had compromised her. Now, estranged from her family, Cassandra struggles to make ends meet. A recent auction of her jewels has brought her a modicum of relief, but one of the most valuable lots was never paid for by the highest bidder: handsome, rakish Viscount Ambury. Cassandra needs that money badly, and not to buy a new hat.

Ambury has only to look at Cassandra to begin imagining her in his bed... He has not settled that outstanding debt for a reason. He suspects that the expensive baubles were stolen, perhaps even by Cassandra herself. Erotic fantasies about her notwithstanding, the vixen is not to be trusted, for she has already destroyed his good friend—the man she refused to marry who later lost his life in a duel, which Ambury suspects was fought over Cassandra. But nothing is as it seems...

As the seductive lord and the scandalous beauty are drawn together, the passion that flares between them will illuminate shocking secrets that will change both their lives forever...

### Editorial Review

#### From [Booklist](#)

\*Starred Review\* In retrospect, Cassandra Vernham realizes she should have listened to her aunt Sophie and never put anything in writing. Unfortunately, it was because of Sophie that Cassandra sent her scalding letter to Yates Elliston, Viscount Ambury, in the first place. Cassandra desperately needs the money she counted on from auctioning her jewels to keep Sophie safe. Ambury successfully bid on a pair of Cassandra's most valuable earrings, but weeks after the auction he has yet to pay Cassandra the money he owes her. What Cassandra doesn't know is that Ambury has his own reasons for withholding payment. Not only does Ambury believe the earrings are hot property, he is almost certain they were stolen from his family. RITA Award-winning Hunter follows *The Surrender of Miss Fairbourne* (2012) with another stellar Regency-set historical romance that hits all the literary marks. Hunter's effortlessly elegant writing exudes a wicked sense of wit; her characterization is superbly subtle, and the sexual chemistry she cooks up between her deliciously independent heroine and delightfully sexy hero is pure passion. --John Charles
