***The Surrender Experiment* is now a *New York Times* bestseller!**

**From the author of the *New York Times* #1 bestseller *The Untethered Soul* comes the astonishing true-life story about what happens when you just let go.**

A thriving spiritual community on over six hundred acres of pristine forest and meadows in Florida, a cutting-edge software package that transformed the medical practice management industry, a billion-dollar public company whose achievements are archived in the Smithsonian Institution, a book that became a *New York Times* bestseller and an Oprah favorite, and a massive raid by the FBI that would lead to unfounded accusations by the U.S. government—how could all of this spring from a man who had decided to live alone in the middle of the woods, let go of himself, and embrace a life of solitude? But this man had made a radical decision—one that would unwittingly lead him to both the pinnacle of success and the brink of disaster.

Michael A. Singer, author of *The Untethered Soul*, tells the extraordinary story of what happened when, after a deep spiritual awakening, he decided to let go of his personal preferences and simply let life call the shots.
