"I need book two!! Where is book two?? This sucked me in right away (it was a terrible idea to start reading on a break at work – I could barely bring myself to go back to work) and kept me engaged the whole way through. Some really great characters. (Also any book that mentions self-defenestration wins). But seriously, can I read book two now??" *?Erin Keskeny, Swoon Reader*

### About the Author

Mild-mannered assistant by day, milder-mannered writer by night, **Tarun Shanker** is a New York University graduate currently living in Los Angeles. His idea of paradise is a place where kung-fu movies are projected on clouds, David Bowie's music fills the air and chai tea flows freely from fountains.

**Kelly Zekas**, an NYU graduate, writes, acts, and reads in New York City. YA is her absolute favorite thing on earth (other than cupcakes) and she has spent many hours crying over fictional deaths. She also started reading Harlequin romances at a possibly too early age (12?), and still loves a good paperback romance.

*These Vicious Masks* is their first novel.
