**Wanting Mr Wrong (Random Romance) By Avril Tremayne**

***Wanting Mr Wrong is an irresistible rom com about a girl who refuses to fall for the man the whole world is in love with.***

Evie Parker has never been one to swoon after celebrities - give her a neuroscientist over an actor any day! So when she develops her first movie-star crush, she's determined to date her way out of it, starting with the next good-looking doctor she sees.

Yet hovering on the fringes of her life is her gay best friend's determined brother, Jackson J Stevens, a famous actor who comes with trailing paparazzi.

The one thing worse than a celebrity in Evie's eyes is a media circus, so Jack isn't an option no matter how hard he flirts with her.

Evie knows what she doesn't want; Jack knows what he does. And somewhere in the middle, pheromones are making things go haywire every time they're together.
