## **Book of Rules of Tyconius, The: Its Purpose and Inner Logic (ND Christianity & Judaism Anitqui) By Pamela Bright**

The Liber Regularum, written by Tyconius in the Fourth Century A.D., was the first system of biblical interpretation proposed by a Latin theologian. Augustine was very interested in this work and included an extraordinary summation of it in his *De doctrina christiana*. Although this treatment insured the preservation of the work and its lasting fame, Augustine's summary became better known than the original. Pamela Bright's *The Book of Rules of Tyconius: Its Purpose and Inner Logic* reintroduces this neglected classic of early church literature. Bright asserts that although Augustine was greatly influenced by the *Liber Regularum*, his philosophical differences caused him to misunderstand its meaning. Bright reexamines the meaning of "prophecy" and "rule" from Tyconius's perspective and reveals that the purpose of the book was not to provide a general guide to scriptural interpretation, but rather a way to interpret apocalyptic texts. She cites Tyconius's intense concern with evil in the church as the genesis of his interest in the apocalypse and subsequently the meaning of the scripture concerning it. Tyconius speaks of the "seven mystical rules" of scripture that with the grace of the Holy Spirit reveal the true meaning of prophecy. If an interpreter follows the "logic" of these rules, the nature of the church as composed by both good and evil membership is revealed. Bright argues that Tyconius was not illogical or incompetent in the work's composition as many critics have claimed but rather that he organized his material in a concentric pattern so that Rule Four, the center of the seven rules, is also the central development of his theory. Of interest to theologians, students of biblical interpretation and of Augustine, *The Book of Rules of Tyconius* focuses attention upon a work that had great influence on the understanding of the nature of the church, on interpreting scripture, and its meaning for the Church of its day.

### Editorial Review

#### Review

“In [The Bright Book of Rules of Tyconius], Bright displays the chiastic structure of the rules as the clue to deciphering [Tyconius's] interpretative theory . . . [Her] work is an enticing invitation to the reading of Tyconius for his own sake.”

*(Journal of Religion)*

“While lamenting the fact that the world knows the *Liber regularum Tyconii* primarily through Augustine's biased comments in *De doctrina christiana* and other interpreters, Bright attempts to set the record straight by allowing Tyconius to stand on his own. Even though generations of scholars have considered the *Book of Rules* confusing and disordered, Bright advances and successfully defends the novel hypothesis that Tyconius's *Book of Rules* does have an organization and plan, which manifests an inherent logic and order.”  
*(Catholic Historical Review)*

“[Bright] successful[ly] . . . puts Tyconius in the context of his own time and carefully describes his seven rules of scriptural interpretation, clearly analyzing and affirming their unity. . . .”

*(Patristics)*

#### About the Author

**Pamela Bright** is chair of the theology department at Concordia College, Montreal. She is the editor and translator of *Augustine and the Bible*, also published by the University of Notre Dame Press.

### Users Review

#### From reader reviews:

##### **Ted Bryant:**

Reading a guide tends to be new life style within this era globalization. With reading you can get a lot of information that will give you benefit in your life. With book everyone in this world may share their idea. Publications can also inspire a lot of people. A great deal of author can inspire their very own reader with their story as well as their experience. Not only the storyplot that share in the textbooks. But also they write about advantage about something that you need example of this. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that exist now. The authors on this planet always try to improve their expertise in writing, they also doing some study before they write to the book. One of them is this Book of Rules of Tyconius, The: Its Purpose and Inner Logic (ND Christianity & Judaism Anitqui).

**Gabriel Reyes:**
