Fireproof By Alex Kendrick, Stephen Kendrick, Eric Wilson

INSIDE BURNING BUILDINGS, Captain Caleb Holt lives by the firefighter's adage: NEVER LEAVE YOUR PARTNER. Yet at home, in the cooling embers of his marriage, he lives by his own rules.

Growing up, his wife Catherine always dreamed of marrying a loving, brave firefighter . . . just like her father. Now, after seven years of marriage, she wonders when she stopped being "good enough." Countless arguments and anger have them wanting to move on to something with more sparks.

As they prepare for divorce, Caleb's father challenges him to commit to a 40-day experiment: "The Love Dare." Wondering if it's even worth the effort, Caleb reluctantly agrees, not realizing how it will change his world forever.

Surprised by what he discovers about the meaning of love, Caleb begins to see his wife and marriage as worth fighting for. But is it too late? His job is to rescue others. Now Captain Holt must face his toughest job ever . . . rescuing his wife's heart.

Editorial Review

Review

"Narrator Greg Whalen's masterful performance sounds like multiple narrators as he depicts a group of firemen and a troubled marriage. From the sounds of pulse-pounding sirens to the suspense of a car caught in the path of an oncoming train, the story's tension is unrelenting. Dedicated and courageous fireman Caleb Holt is soon to be divorced because of his extramarital affair. Whalen's portrayal of Caleb's wife's feelings of rejection is especially believable—listeners should have Kleenex handy. He portrays Caleb's confusion and remorse with subtle vocal tones. When Caleb's father suggests that he try a forty-day experiment called "The Love Dare," he's reluctant—until he learns the program saved his parents' marriage. Powerful characterizations and authentic sound effects make this an engaging audio experience."

From reader reviews:

Peter Tesch:

This Fireproof are usually reliable for you who want to be considered a successful person, why. The reason why of this Fireproof can be on the list of great books you must have will be giving you more than just simple studying food but feed an individual with information that probably will shock your earlier knowledge. This book is actually handy, you can bring it everywhere and whenever your conditions at e-book and printed kinds. Beside that this Fireproof giving you an enormous of experience including rich vocabulary, giving you demo of critical thinking that we all know it useful in your day pastime. So , let's have it appreciate reading.

Fern Barron:

Reading can be called imagination hangout, why? Because when you find yourself reading a book particularly a book entitled Fireproof your head will drift away through every dimension, wandering in most aspect that maybe unfamiliar for but surely will end up your mind friends. Imaging every single word written in a guide then become one contact form conclusion and explanation which maybe you never get prior to. The Fireproof giving you yet another experience more than blown away your brain but also giving you useful facts for your better life within this era. So now let us present to you the relaxing pattern the following is your body and mind will be pleased when you are finished reading through it, like winning an activity. Do you want to try this extraordinary spending spare time activity?

Robert Bowser:

As we know that book is a vital thing to add our know-how for everything. By a e-book we can know everything we wish. A book is a list of written, printed, illustrated as well as blank sheet. Every year was exactly added. This e-book Fireproof was filled about science. Spend your spare time to add your knowledge about your scientific disciplines competence. Some people have various feel when they reading a new book. If you know how big benefit of a book, you can truly feel enjoy to read a book. In the modern era like at this point, many ways to get book that you just wanted.

Thomas Pilcher:

As a college student exactly feel bored in order to reading. If their teacher questioned them to go to the library or to make summary for some guide, they are complained. Just little students that has reading's soul or real their interest. They just do what the professor want, like asked to go to the library. They go to presently there but nothing reading critically. Any students feel that reading is not important, boring as well as can't see colorful pics on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this Fireproof can make you experience more interested to read.
