### July: Calendar Girl Book 7 By Audrey Carlan

Hip-hop, Miami heat, and the Latin Lov-ah.

The second half to this year-long journey has taken me to Magic City...Miami. I've been hired by the nation's top hip-hop artist, Anton Santiago. His name is as sexy as he is, and it rolls off the tongue the same way his muscled form rolls to his music. He goes by the name Latin Lov-ah, and boy does he work that title from his rock-hard body, Latin hip-hop fusion dance moves, to the way he beds his women.

He's raw, dirty, and one hundred percent player...and I want to wrap my naked body all over him and forget about everything.

Every word that comes out of his mouth is a siren's song.

Every thrust of his hips draws me closer.

Every breath against my neck sends me into a tailspin of need and desire.

After what happened in June, I need to rip the bandage off. Move on. Anton could be just the thing I need to get my groove back.

I was hired to play the part of a seductress in Anton's new music video, but, in the end, I'm the one being seduced.

\*\*\*

In the seventh book of the Calendar Girl serial, Mia is sent to Miami, Florida. Still on her mission to save her father, she is hired to be in a hot new music video

where her unique look and recent popularity will prove invaluable.

Each installment in the Calendar Girl Serial will release every month throughout 2015. The stories will feature Mia's journey as an escort to twelve clients in twelve different locations.

Warning: This book is designed for audiences 18+ due to language and graphic sexual content.

### Users Review

#### From reader reviews:

##### **Brandon Li:**

What do you ponder on book? It is just for students because they are still students or that for all people in the world, what best subject for that? Merely you can be answered for that issue above. Every person has various personality and hobby for each other. Don't to be pressured someone or something that they don't wish do that. You must know how great and important the book July: Calendar Girl Book 7. All type of book can you see on many methods. You can look for the internet resources or other social media.

##### **Sheila Robinson:**

What do you in relation to book? It is not important to you? Or just adding material when you require something to explain what the ones you have problem? How about your free time? Or are you busy man or woman? If you don't have spare time to perform others business, it is gives you the sense of being bored faster. And you have spare time? What did you do? Everyone has many questions above. They must answer that question mainly because just their can do which. It said that about e-book. Book is familiar on every person. Yes, it is appropriate. Because start from on jardín de infancia until university need that July: Calendar Girl Book 7 to read.

**Tony Jacobson:**

Reading a book tends to be new life style in this particular era globalization. With studying you can get a lot of information that can give you benefit in your life. Having book everyone in this world can easily share their idea. Books can also inspire a lot of people. A lot of author can inspire their own reader with their story or even their experience. Not only the storyplot that share in the ebooks. But also they write about the ability about something that you need example. How to get the good score toefl, or how to teach your children, there are many kinds of book which exist now. The authors nowadays always try to improve their skill in writing, they also doing some exploration before they write with their book. One of them is this July: Calendar Girl Book 7.

**Curtis Phillips:**

Many people spending their period by playing outside together with friends, fun activity using family or just watching TV 24 hours a day. You can have new activity to spend your whole day by reading through a book. Ugh, ya think reading a book can definitely hard because you have to accept the book everywhere? It ok you can have the e-book, getting everywhere you want in your Smartphone. Like July: Calendar Girl Book 7 which is finding the e-book version. So , why not try out this book? Let's see.
