## Living Like a Runaway: A Memoir By Lita Ford

“Heavy metal’s leading female rocker (*Rolling Stone*) bares all, opening up about the Runaways, the glory days of the punk and hard-rock scenes, and the highs and lows of her trailblazing career

Wielding her signature black guitar, Lita Ford shredded stereotypes of female musicians throughout the 1970s and ‘80s. Then followed more than a decade of silence and darkness—until rock and roll repaid the debt it owed this pioneer, helped Lita reclaim her soul, and restored the Queen of Metal to her throne.

In 1975, Lita Ford left home at age sixteen to join the world’s first major all-female rock group, the Runaways—a “pioneering band” (*New York Times*) that became the subject of a Hollywood movie starring Kristen Stewart and Dakota Fanning. Lita went on to become “heavy rock’s first female guitar hero” (*Washington Post*), a platinum-selling solo star who shared the bill with the Ramones, Van Halen, Motley Crue, Bon Jovi, Def Leppard, Poison, and others and who gave Ozzy Osbourne his first Top 10 hit. She was a bare-ass, leather-clad babe whose hair was bigger and whose guitar licks were hotter than any of the guys’.

Hailed by *Elle* as “one of the greatest female electric guitar players to ever pick up the instrument,” Lita spurred the meteoric rise of Joan Jett, Cherie Currie, and the rest of the Runaways. Her phenomenal talent on the fret board also carried her to tremendous individual success after the group’s 1979 disbandment, when she established herself as a “legendary metal icon” (*Guitar World*) and a fixture of the 1980s music scene who held her own after hours with Nikki Sixx, Jon Bon Jovi, Eddie Van Halen, Tommy Lee, Motorhead’s Lemmy, Black Sabbath’s Tony Iommi (to whom she was engaged), and others.

Featuring a foreword by Dee Snider, *Living Like a Runaway* also provides never-before-told details of Lita’s dramatic personal story. For Lita, life as a woman in the male-dominated rock scene was never easy, a constant battle with the music establishment. But then, at a low point in her career, came a tumultuous marriage that left her feeling trapped, isolated from the rock-and-roll scene for more than a decade, and—most tragically—alienated from her two sons. And yet, after a dramatic and emotional personal odyssey, Lita picked up her guitar and stormed back to the stage. As *Guitar Player* hailed in 2014 when they inducted her into

their hall of fame of guitar greats: “She is as badass as ever.”

Fearless, revealing, and compulsively readable, Lita Ford’s *Living Like a Runaway* is the long-awaited memoir from one of rock’s greatest pioneers—and fiercest survivors.

#### Review

“Fearless. ... A vivid account of life as ‘the one-and-only guitar-playing rocker chick who could shred like I did.’ ... A fast-paced read... and an inspiring one.” (Rolling Stone)

“[A] fun, often hilarious coming-of-age memoir of a rocker chick who can rip through serious lead guitar solos as good -- or usually better -- than the next guy. ... Delightfully detailed. ... [Ford] tells plenty of colorful ‘80s rocker stories. ... Freewheeling.” (Philadelphia Inquirer)

“[A] tell-all book. ... No one lived larger than sexy heavy-metal guitarist and singer Lita Ford.” (New York Post)

“Ford is a surprisingly skilled raconteur - or is that rock-contreur. ... The sex scenes provide the juice, but when she talks about learning solos straight from Blackmore, or out-jamming Holmes on stage, or writing songs with Osbourne, Ford proves that at heart she’s a great guitarist.” (Los Angeles Times)

“Heavy rock’s first female guitar hero.” (Washington Post)

“Heavy metal’s leading female rocker.” (Rolling Stone)

“One of the greatest female electric guitar players to ever pick up the instrument.” (Elle)

“Lita Ford is the coolest and most rock-n-roll female guitarist I ever heard. No guitarist-male or female-ever looked better with a Hamer Explorer than Lita.” (SLASH)

“The mother of all metal.” (Los Angeles Times)

“[A] legendary metal icon.” (Guitar World)

“Lita Ford, the shredding lead guitarist for the world’s first all-female rock band, the Runaways, tells her remarkable tale in *Living Like a Runaway*, a wild-ride musical memoir.” (Parade)

“Revealing [and] memorable. ... A celebration of Ford’s iconoclastic, take-no-shit spirit.” (Consequence of Sound)

“A chronicle of life as a woman in the male-dominated metal scene, *Living Like a Runaway* has been netting rave reviews; who says you can’t raise up the metal horns for a little literature?” (Gothamist)

“Required reading for any aspiring musician. ... Frank and funny. A page turner.” (Goldmine)

“Jam packed with stories of a truly eventful -- and impressive -- rock and roll life.” (Guitar World)

"It was in the late spring of 1984 when I finally met Lita in person. Twisted Sister was just starting to tour, promoting our Stay Hungry album, and Lita Ford was the opener, working her second solo album, Dancin' on the Edge. Having never gotten to see the Runaways live, I was truly impressed not only by Lita's performing but also by her guitar playing. Here was a girl who could really play! And I'm not talking playing good 'for a girl,' I'm talking playing good for anybody. Lita Ford could wail, and night after night she rocked the house. Let's face it, up to that point, with rare exception, a 'female rocker' was pretty much viewed as an oxymoron. Lita Ford was standing flat-footed on the stage each night, wearing denim and leather, shredding on her guitar, and daring anyone to deny her right to be there. And nobody could. Lita Ford was just what the women's movement in the rock-and-roll world needed."—Dee Snider, Twisted Sister, from the foreword

Praise for Lita Ford and *Living Like a Runaway*

"Lita Ford is the coolest and most rock-and-roll female guitarist I ever heard. No guitarist—male or female—ever looked better with a Gibson Explorer than Lita."—SLASH

"Lita? Now there's one hot guitar maestro who has a hell of a story to tell. This book begs to be a film. Lita's always been the best!"—ROBIN ZANDER, Cheap Trick

"Lita Ford is the Queen of Rock. There are some musicians who fall off the path, and there are others who blaze their own trails. Lita took the latter and refused to be ignored in a primarily man's world. Lita will never leave us, 'cause she is the real deal."—GLENN HUGHES, Trapeze, Deep Purple, and Black Sabbath

“Not only did Lita Ford compete in a predominantly male-occupied world, but she also showed all the testosterone-and-adrenaline-driven rock guys how to do it. She came out guns blazing, a singer-guitarist heroine who brought the angst, the (bombshell) sex appeal, the ‘never say die’ attitude, and—dare I say it—the balls to show how it’s done. And many years later, when so many others have hung up their spandex leggings in favor of a midlife gut, she is still here.”—PHIL SOUSSAN, Ozzy Osbourne, Billy Idol, and The Vince Neil Band
