Editorial Review

About the Author
Dwain Chang is an SAP BI consultant, originally from Surinam, who currently lives in the Netherlands. He has a master s degree in informatics and economics as well as in marketing from the Erasmus University Rotterdam. Dwain started his professional career in 2011 and participated in various SAP backend and frontend development projects. Dwain has done a number of SAP BusinessObjects Design Studio implementations at a wide range of clients in the fields of Logistics, Finance, PM, and HR, to name a few.

Xavier Hacking is an SAP BI specialist from Eindhoven, the Netherlands, and works as a consultant for Interdobs. He has a master's degree in Industrial Engineering and Manage-ment Science from the Eindhoven University of Technology. He has worked with a wide range of products from the current SAP BW and SAP BusinessObjects BI toolsets, with a focus on dashboard development within SAP environments.

Jeroen van der A is an SAP BI consultant from the Netherlands working for Interdobs. He has more than 15 years of experience with business intelligence and started using SAP products in 2005. Jeroen is focused on finding innovative ways to use BI products to create added value, and uses a broad range of products to achieve this goal.

Users Review

From reader reviews:

Chris Gibbons:

The reason why? Because this SAP BusinessObjects Design Studio: The Comprehensive Guide (SAP PRESS) is an unordinary book that the inside of the guide waiting for you to snap the item but latter it will distress you with the secret it inside. Reading this book alongside it was fantastic author who all write the book in such remarkable way makes the content on the inside easier to understand, entertaining way but still convey the meaning thoroughly. So , it is good for you for not hesitating having this nowadays or you going to regret it. This unique book will give you a lot of positive aspects than the other book include such as help improving your skill and your critical thinking technique. So , still want to hold off having that book? If I have been you I will go to the e-book store hurriedly.

Edna Barnett:

Playing with family in the park, coming to see the water world or hanging out with close friends is thing that usually you will have done when you have spare time, subsequently why you don't try factor that really opposite from that. One particular activity that make you not sense tired but still relaxing, trilling like on roller coaster you already been ride on and with addition associated with. Even you love SAP BusinessObjects Design Studio: The Comprehensive Guide (SAP PRESS), you could enjoy both. It is excellent combination right, you still would like to miss it? What kind of hang type is it? Oh seriously its mind hangout men. What? Still don't get it, oh come on its known as reading friends.

Rick Fountain:

SAP BusinessObjects Design Studio: The Comprehensive Guide (SAP PRESS) can be one of your nice books that are good idea. We all recommend that straight away because this guide has good vocabulary that can increase your knowledge in language, easy to understand, bit entertaining but still delivering the information. The copy writer giving his/her effort that will put every word into delight arrangement in writing SAP BusinessObjects Design Studio: The Comprehensive Guide (SAP PRESS) but doesn't forget the main stage, giving the reader the hottest as well as based confirm resource details that maybe you can be among it. This great information can easily drawn you into completely new stage of crucial thinking.

Mark Garcia:

What is your hobby? Have you heard in which question when you got pupils? We believe that that issue was given by teacher on their students. Many kinds of hobby, Every individual has different hobby. And you also know that little person similar to reading or as studying become their hobby. You have to know that reading is very important along with book as to be the thing. Book is important thing to add you knowledge, except your current teacher or lecturer. You see good news or update in relation to something by book. Numerous books that can you decide to try be your object. One of them is this SAP BusinessObjects Design Studio: The Comprehensive Guide (SAP PRESS).
