**Sin City** By Harold Robbins

From the *New York Times* bestselling author of *The Predators*

For more than five decades, bestselling author Harold Robbins has thrilled millions of readers with tales heavy in action, ruthless characters, international intrigue, and the sexiest people ever captured in print.

Now in Sin City, he takes us to a town famous for all these, Las Vegas.

Jack “Lucky” Riordan is anything but lucky. The illegitimate son of Howard Hughes, he and his mother are cast out of Las Vegas when Hughes learns of the pregnancy, only for Jack to return years later to make his fortune.

Jack might not have luck. But he has an eye for a quick con. His skills soon allow him to climb the ladder as head of security for one of Glitter Gulch’s most ruthless casinos, where cheating will get you jail, if you’re not crippled by security first.

Jack sees it all: the corruption of fast money, the ways his friends will stab in the back for a shot at a jackpot, and the allure of women who will do anything to hit the big time.

But the big time in Vegas always comes at a cost . . . and Jack is about to learn the price of life in Sin City.

### Editorial Review

#### From Publishers Weekly

Though questions linger about just how much Robbins (1916-1997) contributed to the later books published under his name, this posthumous novel moves quickly and is great fun, a roman ... clef reminiscent of his early bestselling bildungsromans *Never Love a Stranger* (1948) and *A Stone for Danny Fisher* (1952).

Packed with vintage Robbins boudoir scenes, it follows a street-smart youth clawing and copulating his way to wealth and power. Born Howard Hughes Jr., the bastard son of the famous multimillionaire recluse, Zack Riordan comes to Vegas in 1966 at age 12, and 12 years later has become the youngest casino security chief on the Strip. The narrative follows Zack's career as he gets involved in a vicious rivalry with the wastrel son and snooty Vassar-educated daughter of his mentor, Con Halliday, the aging owner of the casino Zack has helped save from ruin. When Zack is unceremoniously fired, he crosses continents to cut deals with Chinese criminal elements in Hong Kong and to parlay his quick wits and daring into enough money to finance his own casino, unwinding from hard days of sordid financial exploits by bedding one beautiful woman after another. Returning home, Zack discovers that he has a son by his former mentor's daughter, and finds himself wondering if he has paid too high a price for wealth and power. Those Robbins fans who haven't already fallen by the wayside will be rewarded for their devotion with this unexpectedly lively offering.

#### From *Booklist*

Robbins' death in 1997 hasn't kept him from publishing, as many of the works-in-progress he left behind have been completed by author or authors unknown. In the latest, the overblown machismo has been toned down, but the style is still Robbins' and the story is still populated with the usual Robbins characters: wealthy, beautiful people; sexy but submissive women; and the hero, a handsome, poor, tough guy who makes it big. Jack "Lucky" Riordan is the illegitimate and unwanted son of millionaire Howard Hughes, exiled from Las Vegas to face a hardscrabble existence. The tale begins in the 1960s when an adult Riordan returns to Vegas, seeking his fortune in the gaming industry. His street smarts stand him in good stead as he shrewdly acquires wealth and power. As usual, the plot is spiced up with loads of fantastical sex and nymphomaniacal women, but this time Mob entanglements and backstabbing friends add a little twist to the story. Robbins' faithful fans will be lining up for this one. *Kathleen Hughes*
