### **Editorial Review**

From the Author

I believe this coloring book is unique. It contains my original Haiku poems, and mandalas I created inspired by quotes by favorite authors and artists. I wanted to offer the reader and colorist a varied artistic and creative experience.

Coloring helps to relieve stress and for me a poem can change a mood and offer a different prospective about life. I often say that poetry is life and life is poetry.

I can only hope that my special coloring book brings as much joy to the reader as creating it brought me. I think of it as a labor of love.

I hope to publish a collection of my poems in the near future. In the meantime, read, color and relax. Happy coloring!

From the Back Cover

The power of meditation is transformational. Retreat to a quiet place and let the power of the mandala guide you as you color.
