STUDIES IN THE BOOK OF JOSHUA This guide to Victorious Christian Living is not about a theory to be admired but an experience to be enjoyed. The greatest need of the Christian Church is a revival of the New Testament standard of living. There seems to be a wide gulf between what we believe and how we live, a marked contrast between our position in Christ and our actual experience. Too often we claim to believe our Bible from cover to cover, but fail to live out its truths in daily conduct. The spiritual emphasis of the book of Joshua is to move the believer beyond conversion into the land of promise that awaits us here and now. This book is written with the fervent prayer that the Lord may use it for His glory to help many people face afresh the implications of the Cross and the pattern of God's redemption in personal life.
