BWWM: Taken by the Next Full Moon (BWWM Paranormal Wolf Shifter Romance) (Contemporary Interracial Romance Short Stories) By C.J Starkey, BWWM

We have until the next full moon...

Sadie:

Landon Hudson is the most arrogant, selfish, and rudest male I have ever met. He makes crude remarks, thinks everyone in the packs should idolize him. Well, not me. I loathe him. I also loathe myself for finding him so damn hot. Sure, he is a jerk, but my body always betrays me and longs to be touched by the crude man. Luckily, I have been able to fight my desires and resist him, but now I am in deep trouble. My father just announced that Landon and I will be married by the next full moon. There is no way I can let that happen, and no way I can keep myself tamed if I should have to marry that horrible male.

Landon:

Marry Sadie Caroline? Yeah right. There is no way I can spend the rest of my life with that smart-mouthed female. Of course, she is extremely hot with a dangerously curvy body, but she is too opinionated, blunt, and standoffish. Sure, I'd love to have her in my bed, but I have barked up that tree before and she rejects me every time. The female would never submit to a male, so how could she ever make a good wife. Our fathers are crazy if they think this wedding will happen. Next full moon? That means I have 29 days to break off this engagement.

Author's Note: Taken by the Next Full Moon is a full-length, standalone, BWWM interracial story filled with naughty moments, strong language, and a very HEA.
