### Dreams Come True By Bridgitte Lesley

Without too much hesitation Amanda turned what could have been a very dull and boring show into an extravaganza. David didn't realize, but that is exactly what would happen to his life. The extravaganza was about to begin. David had to thank Amanda for the way she had saved the children's concert. Only that wasn't his only intention. He knew nothing about her and had never met her before. The feelings and emotions that she had stirred up on first sight made David realize that love at first sight was real. It did exist. He couldn't let her slip through his fingers. He had to do something. Their late night coffee date turned a little sour. Amanda was not an easy target or a push over. Their meeting did lead to their first date the following day. Amanda was drawn to David. She had also felt the emotions. They connected in every way possible. Neither David nor Amanda left things to chance. They were both direct and to the point. Their intentions were very clear. Their lives were about to change.

### **Editorial Review**

#### **About the Author**

Introducing a new character to a reader is something I love doing. Literary fiction is exactly that! Where a story is woven around a character, or even a few. At the same time, romance is part of the deal. I love a happy ever after. But I do enjoy weaving the story of how characters get to meet. In all my novels you will find that thread of romance. From the beginning to the end. Romance is a passion. Happy moments and sad moments. That is all a part of the deal. You will find them in all my novels. Pretty much the way real life happens. I hope to draw you in and make you feel as if you are a part of the family. I do hope you get to enjoy my novels. The list will slowly grow. I am situated near Durban in South Africa. I immerse myself in my novels. Writing has become my hobby, my past time, and I have turned it in to my full time career. I aim to make each book that I write a pleasure to read. I hope to achieve that.
