Editorial Review

About the Author

WAYNE DYER Dr. Wayne W. Dyer, affectionately called the "father of motivation" by his fans, is one of the most widely known and respected people in the field of self-empowerment. He became a well-known author with his bestselling book, *Your Erroneous Zones*, and has gone on to write many other self-help classics. Despite his childhood spent in orphanages and foster homes, Dr. Dyer, who has a doctorate in counseling psychotherapy, has overcome many obstacles to make his dreams come true. Today he spends much of his time showing others how to do the same. When he's not traveling the globe delivering his uplifting message, Wayne is writing from his home in Maui, Hawaii. DEEPAK CHOPRA Deepak Chopra has written more than twenty-five books, which have been translated into thirty-five languages. He is also the author of more than one hundred audio- and videotape series, including five critically acclaimed programs on public television. In 1999 Time magazine selected Dr. Chopra as one of the Top 100 Icons and Heroes of the Century, describing him as "the poet-prophet of alternative medicine." Dr. Chopra currently serves as CEO and founder of The Chopra Center for Well Being in La Jolla, California.

Basing this presentation on his popular *Manifest Your Destiny*, Dyer gives us his latest thinking about the four pathways to success--discipline, wisdom, unconditional love and surrender. Seekers of advice and information will have to listen closely, pencils in hand, because the four pathways are embedded in a wealth of ideas and charming anecdotes. But Dyer's followers know that his recent work, in print and audio, is not organized for Western left-brained comprehension. This is timeless and transforming material, rather than a step-wise achievement guide. Dyer's captivating, ever-powerful speaking voice and a fine production make this effort as fulfilling as anything he's produced on tape. T.W. (c)AudioFile, Portland, Maine
