**EVERYTHING YOU NEED TO BEGIN PRACTISING HO'OPONOPONO RIGHT AWAY...** Ho'oponopono (Ho Oh Pono Pono) roughly translated as “*to make right*”, “*to correct*”, is an ancient transformational and healing technique originating in Hawaii. Its simple message of 100% responsibility, repentance, and gratitude has been changing the lives of all it touches. Originally practiced by the native Hawaiians, Ho'oponopono was primarily a group based ceremony, used to solve community based problems and disputes and it has ties and similarities to many indigenous shamanic practices found throughout the world. The Ancient Hawaiians understood the power of the mind. Centuries before mainstream science they identified the distinction between the **Conscious**, **Subconscious**, and **Super-Conscious minds**, and the part they play in forming our present day circumstances. This knowledge was considered so important that they built their whole belief system **Huna (The Secret)** around it... Huna's main focus was on resolving community based disputes and problems. They discovered the best way to accomplish this was by understanding and controlling the power of the **Subconscious Mind**- The Ho'oponopono process was one of the most powerful tools they had in achieving this. It was used to clean and 'reset' the mind, leaving it free and open to the positive influences that are constantly being

sent to it from the **Divine Universal Consciousness**. It was updated by Morrnah Simeona in the late 90s to better reflect the demands of the modern world. No longer needing a collective the process could now be practised individually. Since then Ho'oponopono has been quietly but steadily spreading around the globe, gathering rave reviews and devotees as it goes. So what exactly is Ho'oponopono? Is it really so easy? Does it work? Why does it work? How do you do it? What can it do for me? This book will answer these questions and many more, examining its origins, development, and the philosophy that underpins it. It will provide you with all the knowledge and information you need, guiding you through the Ho'oponopono process step by step with sample mantras so you can begin practising right away. We'll look at why this deceptively easy, but extremely powerful process, is changing the lives of all it touches. **And show you how it can change yours too...**
