2015 IPPY AWARD WINNER!

Have you ever wished for a second chance?

The Hutchinson sisters are out of the frying pan and into the fire--just like their mother always threatened!

Gwenn is floating in the dreamy, fragile glow of her new relationship with wealthy artist, Daniel Gregory, when a blast from her past makes a triumphant return. Sure, this is the same man who ran out on her over a decade ago, but can she turn her back on a war hero?

Rachel is on the brink of having everything she ever dreamed of, but that's not how things work out for Hutchinson girls. Her rock-star girlfriend is leaving for a lengthy tour and something is afoot at the bakery. The righteous hand of her mother, Shirley, can orchestrate tribulations from halfway across town.

The sisters think they can run away from their troubles on a quick trip to the heart of Mexico, when an unexpected phone call shatters that illusion.

Filled with intriguing characters, plenty of steamy romance, and fun plot twists--MY FAVORITE SECOND CHANCE will have you flushed with anticipation, blinking back tears, laughing out loud and cheering for your favorite characters.

**Buy this book, and join the Hutchinson sisters as they struggle to embrace adulthood!**

**Interview with the Author**

**Q - So, what makes The Lake Effect series special?**

A - It's actually a mix of things. When I chose to write these books, I wanted to

create a diverse story that reminded me of the kind of books I like to read. My top picks are usually romantic comedy novels, any of the thousands of humor and entertainment best sellers, and, of course, books featuring serious topics with a dash of humor. Basically, anything with a comedic attitude and a fast-paced style gets my click.

The Lake Effect Series books are a great mix of these genres. You'll find the series focuses on the humor and entertainment / romantic comedy genre overall, with a pinch of women's fiction thrown in for good measure, a strong lesbian fiction story line, and a humorous take on parenting and families to keep things interesting!

Overall, The Lake Effect series is designed with short, punchy chapters to keep you turning the pages - and I've made sure you'll want to know what happens next.

**Q - What order should I read the books in?**

A - If you want to read them in order and follow the sisters' story as it builds, I'd suggest the following sequence:

- It's Not My Favorite
- My Favorite Second Chance
- Finally My Favorite

**Q - So, why should readers give these books a try?**

A - Because The Lake Effect series is an irreverent, humorous series that features two fantastic female leads! Book one hit the top ten bestsellers list on Kindle for Humor & Entertainment >Humor >Parenting & Families, and My Favorite Second Chance and Finally My Favorite - both won IPPY Awards for fiction.

At the end of the day, readers who enjoy fast-paced romantic comedy with a plot that features two sisters and a rich cast of supporting characters will get a kick out of this series

**Q - Can readers get the whole series in one bundle?**

A - Of course. I put together a bundle for readers who would like to read the entire series and save a little cash, too. Check out my author page here at Amazon for more details, and a full list of my available titles.

#### 5 Star Review for My Favorite Second Chance

My Favorite Second Chance, the second book in the Lake Effect Series by Rue, is simply a great read, continuing the stories of the Hutchinson sisters, Gwenn and Rachel, pretty much where the first book in the series, It's Not My Favorite, left off. Gwenn is enjoying the excitement of her new relationship with the handsome and wealthy artist Daniel Gregory, and Rachel's relationship with rock star Annie is a happy one. But when Gwenn's war hero ex returns with thoughts of being with her forever and Annie prepares to leave for a long overseas tour, the uncomplicated happily ever after both women had started to dream of just might not be in the cards for either of them.

I so enjoyed this book. Rue has done an absolutely fantastic job at creating characters that the reader will truly care about and will continue to think about long after the book has ended. If that is not a hallmark of an awesome writer, I'm not sure what is. My Favorite Second Chance would be enjoyed by any reader who loves chick lit, romance, just the right amount of steaminess, or just a great, fun, and heart twisting read. Rue is fast becoming a go-to favorite of mine, and I can count on her books to be engaging, exciting and emotional, sometimes all at the same time. I am so happy to highly recommend this book and this series as a whole, and will be very much looking forward to digging into the next installment as soon as possible.
