Editorial Review

From the Inside Flap

Too often, greed and materialism can choke out the true spirit of generosity found only in Christ. In this new, revised edition of *The Blessed Life*--featuring fresh stories, illustrations, and testimonials--Robert Morris, founding senior pastor of Gateway Church, examines the true meaning of the blessed life.

The enemy wants to keep you from discovering God's principles governing the financial stewardship, giving, and the blessing. Why? Because once you do, it will change every area of your life from your marriage to your health and finances. It will also impact the kingdom of God. What if every needed church facility could be built? What if every missionary could be sent and abundantly supplied? What if the gospel could saturate every culture on the planet?

When God changes your heart from selfishness to generosity, every part of your life journey is affected. With humor, passion, and clarity, Robert presents this truth on the pages of *The Blessed Life*. **Robert Morris** is the founding senior pastor of Gateway Church, a multicampus church in the Dallas/Fort Worth Metroplex. Since it began in 2000, the church has grown to more than 36,000 active members. He is featured on the weekly television program *The Blessed Life* and serves as chairman of the board of The King's University. He is the bestselling author of 14 books, including *The Blessed Life*, *The God I Never knew*, *Truly Free*, and *Frequency*. Robert and his wife, Debbie, have been married 36 years and are blessed with one married daughter, two married sons, and six grandchildren.
