**The Golden Dawn: The Original Account of the Teachings, Rites & Ceremonies of the Hermetic Order (Llewellyn's Golden Dawn Series)** By Israel Regardie

*The Golden Dawn* by Israel Regardie is considered by many to be the book that started the modern occult movement. The original Hermetic Order of the Golden Dawn, which started in the late 1800s, borrowed from a wide variety of occult traditions ó Kabbalah, Tarot, Geomancy, Enochian Magic, Theosophy, Freemasonry, Paganism, Astrology, and many more ó and created a unique and viable system of magic that is still being practiced today. Almost every contemporary occult writer and modern group has been influenced, directly or indirectly, by the Order or its members, making *The Golden Dawn* one of the most influential occult books of the past 100 years.

The book is divided into several basic sections. First are the knowledge lectures, where you will learn the basics of the Kabbalah, symbolism, meditation, geomancy and more. This is followed by the rituals of the Outer Order, consisting of five initiation rituals into the degrees of the Golden Dawn.

The next section covers the rituals of the Inner Order including two initiation rituals, equinox ceremonies, and more. Then you will learn the basic rituals of magic and the construction, consecration, and means of using the magical tools. Once you have these you can go on to evocation rituals, talismans, and invocations.

The book gives explanations for how to design talismans, do skrying and travel on the astral plane. You will also learn geomancy, the Tarot, and Enochian magic.

Filled with numerous illustrations, lists, and tables, *The Golden Dawn* provides guidance for a lifetime of magic and life-changing transformation. Get your copy today.

### Editorial Review

From the Publisher

When Llewellyn first published *The Golden Dawn* by Israel Regardie thirty years ago, about all we did was take the original four-volume set and repackage it into two volumes. I thought it was an important book then, and believe it is even more valuable now.

Today, we are proud to present the sixth edition. It has now been retypeset so it is easier to read and we have corrected errors that existed since the first edition. We have added new material by Israel Regardie and others who are practicing the Golden Dawn tradition, including notes that help to clarify some of the ideas in the book. And to make the book even easier to use, a complete index has been added.

This book is truly the fountainhead of occult wisdom in this age. Are you interested in the Tarot? Many of the major expounders of the cards, including A.E. Waite and Paul Foster Case were members of the Golden Dawn. Are you interested in Aleister Crowley? He received his basic training in the Golden Dawn. Do you like the mystic poetry of W.B. Yeats? He was a member for many years, and much of the symbolism in his poetry is explained here. The teachings of many modern Kabbalists are unified in this book.

Get to know the source! Learn the original instructions for the pentagram and hexagram rituals. Discover the secrets of charging tools, their complex Tarot system, and Enochian magic. You'll learn to do the magic that others just talk about when you study *The Golden Dawn*.
