#### EVIL'S GRAND SCHEME...

Ivy Pierce has had a harder life than most. She suffered tragedy at a young age then spent the next eleven years in and out of hospitals fighting an illness doctors couldn't identify while watching her mother make sacrifices to take care of her. When Ivy finally gets better, she resigns herself to the fact that she can either have health or love, always afraid that the illness will return. Ivy never wants to burden anyone again, so she makes sure to keep everyone at arm's length. That is until Fate intervenes and puts her on a collision course with a gorgeous, charismatic Hunter who makes her blood burn and her heart skip a beat whenever he's near. Her biggest battle, however, may be learning that she's worth saving.

#### FATE'S BIGGER PLAN...

Christian Chiasson dreamed of finding his soul mate - until the night his parents died. His father's bellow of grief that reverberated through the bayou has haunted Christian ever since. To keep his heart safe, Christian is content to let his brothers find romance and continue the family line. Although when Christian crosses paths with a beautiful and brave woman being hunted by minions of the Demon of Souls, he's drawn to her in a way that cannot be explained. He suddenly finds that he would walk through the fires of Hell if it means she could live. Now that he's found her, Christian can't imagine life without her.
