*All's fair in Love and Football . . .*

Emily Hamilton doesn't trust men. She's much more comfortable playing the romantic lead in front of a packed house onstage than in her own life. So when NFL star and alluring ladies' man Brandon McKenna acts as her personal white knight, she has no illusions that he'll stick around. However, a misunderstanding with the press throws them together in a fake engagement that yields unexpected (and breathtaking) benefits.

Every time Brandon calls her "Sugar," Emily almost believes he's playing for keeps—not just to score. Can she let down her defenses and get her own happily ever after?

#### About the Author

Julie Brannagh has been writing since she was old enough to hold a pencil. She lives in a small town near Seattle, where she once served as a city council member and owned a yarn shop. She shares her home with a wonderful husband, two uncivilized Maine Coons, and a rambunctious chocolate Lab.
