**Escape: A Bad Boy Stepbrother Romance** By Jessica Ashe

**I had to lose my V-plates at some point; it might as well be with Caiden Ramsden.**

Just one night. No dating, no dinner, no small talk. Just sex, and lots of it. Caiden was a cocky, arrogant jerk, who knew his ripped, tattooed muscles drove women crazy. In other words, he was exactly the type of bad boy I should stay well away from.

I'm a high-achieving student on my way to the University of Cambridge; I'm not supposed to "do" anyone, let alone an asshole like Caiden.

At least I never had to see him again. Or so I thought.

Now Caiden's sitting in my living room with a big announcement. He's my new stepbrother, and he's here to make my summer a living hell.

Our one night together was better than I liked to admit. I knew I'd end up in bed with him again soon. What I didn't know was that he would turn my world upside down in the process.

**This is a standalone novel with a HEA and no cliffhanger. Contains scenes of a sexual nature and is intended for adults only.**
