### **Jesus Today: A Spirituality of Radical Freedom** By Albert Nolan

This work considers the current hunger for spirituality, the crisis of individualism, ecological breakdown, the global divide between rich and poor and new understanding of our expanding universe. "Radical means reaching down to the roots. The freedom that Jesus experienced reached down to the very roots of his being. It was the freedom he challenged his followers to strive for, and it is the freedom that challenges us today as we hover on the edge of chaos."
