**Jesus (Yeshua) is a Worm and a Snake too....Among Other Things** By Kendall T. Shoulders

Of the many claims that Jesus made, one stands out as being the most obscure but intriguing characteristics in scripture. Jesus called himself a ‘worm’. How can a man who claims to be equal with God also make himself equivalent to a ‘worm’. If this is true, What does it mean for all of those who believe in him? What does it mean for all of those who do not?

‘Standing at the foot of Mount Herman at the altar of Zeus, Jesus asked a rather profound question of his disciples. He wanted to know from their perspective how they defined him. Before that time, there had been many angel-like gods over the centuries that were purported to be God, and were presented in dramatic and powerfully deceptive ways. After reading Jesus Is a Worm, the same question will be asked of you that was asked of Jesus’ disciples.’ Who do you say he is?

### **Editorial Review**

#### **Review**

"Throughout the narrative, Shoulders asks the reader thought provoking questions, and then leads them to the discovery of answers. By explaining the symbolism, imagery and figurative descriptions of the Bible, he brings a deeper understanding of prophecies. Although profound, he does not confound the reader. However, there were a few illuminating concepts I never considered before. The book never strays off topic. It is well researched, and is filled with insightful scripture references" - Cheryl E. Rodriguez of Readers Favorites
