### Editorial Review

#### From [Booklist](#)

This paperback original combines six short mystery stories with tips and puzzles for those who, like Judy Moody (alias Judy Drewdy), want to follow in the footsteps of Nancy Drew. Besides enjoying the mysteries, readers can learn detective lingo, test their powers of observation, hone their reasoning skills, and master several simple codes. An answer key is appended. The engaging stories and challenges will captivate would-be sleuths, while Reynolds' black-and-white drawings reflect the lively tone of the book. An enjoyable change of pace for fans of the Judy Moody series and especially Judy Moody, Girl Detective (2010). Grades 3-5. --Carolyn Phelan
