Lord of the Bling Fellowship of the Bling: Frodo's Journey Begins By James A. Trout

About the book

Hobbits are truly amazing creatures. Is it constantly surprising what they can do, but now the ultimate test is handed down to the hobbit Frodo Baggins. To save slightly-to-the-left-of-the-middle-earth from the coming darkness, Frodo must destroy the One Bling and its maker Saurage. But time is short, Saurage is on the move, and The Nine are out for blood, and the Bling of Power wants to be found. Join Frodo and his companions as they are forced to confront wizards, farmers, and ghosts. And what are these “Nine” that are chasing them?

Written by the up-and-coming author James Trout, The Lord of the Bling is a new short story that looks at Tolkien’s work with it’s eyebrows raised and asks the question: “what?” This humorous send-up is part one of the exciting new series The Lord of the Bling that will have you rolling in the aisles... if you have aisles at least. If not you are likely to just laugh a lot.
