Scotsmen Prefer Blondes (Muses of Mayfair) By Sara Ramsey

She never wanted marriage....

When a friend is forced to consider a marriage of convenience, Lady Amelia Staunton is determined to rescue her. But her plans trap her in an illicit seduction, and Amelia must marry him herself. Malcolm's all-consuming kisses and devilish humor might make up for her lost freedom, but she believes he will force her to abandon the Gothic romances she yearns to write. Since she can't escape him, she must distract him from her secret.

He isn't looking for love....

A powerful autocrat with a well-hidden rebellious streak, Malcolm MacCabe doesn't need another beautiful mistress - he needs an obedient wife. Obedience is not one of Amelia's virtues. But he's too enthralled by her wit and passion to let her go - even if it means risking the political reputation he is building to save his clan.

Their hearts can't survive the scandal...

Despite their intentions, every wicked embrace binds them together. But as their conflicting desires combust into insatiable hunger and unavoidable ruin, they must decide whether to pursue their personal destinies alone - or fight for the love that could destroy them both.
