But Gabi has a secret, something she's keeping from not just her best friend but her nemesis too. Lines are blurred as Lex becomes less the villain she's always painted him to be...and starts turning into something more. Gabi has always hated the way she's been just a little bit attracted to him—no computer-science major should have that nice of a body or look that good in glasses—but “Lex Luthor” is an evil womanizer. He's dangerous. Gabi should stay far, far away.
