The Power of the Tongue By Kenneth Copeland

Words have played a vital role since the beginning of time. In the book of Genesis, God created the world and everything in it with His words. Today, as believers, we have the same God-like ability to speak those things which be not as though they were. Through God's Word, Kenneth Copeland reveals the Bible secret of words and the vital importance of using the tongue to create rather than destroy.

Editorial Review

About the Author

Victory. That word, more than any other, sums up the gospel of Jesus Christ. And preaching that victorious gospel to the world has been Kenneth Copeland's driving purpose for more than 30 years. An ordained minister, author and internationally recognized preacher, Brother Copeland began his ministry in 1967. Since then, Kenneth Copeland Ministries has grown to include not only its headquarters in Fort Worth, Texas, but offices in Canada, England, South Africa and Australia as well. Best known for his exuberant proclamation that "Jesus is Lord!", Kenneth Copeland has introduced people the world over to the saving message of faith. However, the vision of KCM includes more than simply introducing people to Jesus Christ. Theirs is a vision of taking believers on to maturity in the principles of faith, love, healing, prosperity, redemption and righteousness. Every day that vision becomes more of a reality through Kenneth Copeland Ministries daily and weekly television broadcasts, monthly magazine, books, teaching tapes, gospel music recordings, meetings and conventions. Through these KCM outreaches, every day thousands of believers from Jacksonville to Johannesburg are moving from defeat, self-doubt and discouragement - to a life of God-given victory.

Users Review

From reader reviews:

Cheryl Stone:

The book The Power of the Tongue give you a sense of feeling enjoy for your spare time. You can use to make your capable considerably more increase. Book can to get your best friend when you getting strain or having big problem together with your subject.
