**A place to call home . . .**

In New York City, attorney Devon Gilmore devoted all her time and energy to fast-track her career. She lost her boyfriend . . . but found herself with a surprise baby on the way. To begin a new life, Devon needs a place to settle down—a place like Cavanaugh Island, where the pace is slow, the weather is fine, and the men are even finer.

From the moment David Sullivan meets Devon, he knows he can't fight the laws of attraction. Whether it's helping fix up the old cottage she just bought on Cherry Lane or working together on a pro bono legal case, he can't help feeling a little protective. But will the most eligible bachelor in town be ready for an instant family? Only if he can convince Devon to put her heart on the line one more time—for all time.
