**Love, Chloe: a standalone novel** By Alessandra Torre

*From New York Times Bestseller Alessandra Torre...*

You know girls like me. You *hate* girls like me. The privileged blonde who skips her Ivy League classes when she's had too many martinis. The one draped on the asshole's arm because he drives a Bugati and screws like a champ.

I was that girl. I *loved* being that girl.  
Then, my door was broken in. Literally.  
And in that moment? Everything changed.

**WARNING:** *This sexy standalone has jaw-dropping moments, crazy sexual chemistry, and will make your cheeks hurt from smiling. Read at your own risk.*

#### **PRAISE FOR HOLLYWOOD DIRT:**

"Torre's contemporary romance is a true hit." ? *RT Book Reviews*

"Hollywood Dirt was the real thing?pure contemporary romance at its finest. Effortlessly told, entertaining, and so very swoon-worthy. It's not to be missed!!!"?Kim Karr, *New York Times* bestselling author

#### **PRAISE FOR THE GIRL IN 6E:**

"*The Girl in 6E* uniquely twisted and captivates from the beginning. The premise is entirely original, as are the characters and the pacing. The main character may be a cold killer, but inside is a woman with a soul who sacrifices everything to keep from unleashing herself on the world.... Torre has written a beautifully warped thriller that will be staying with this reviewer for a long time to come."? *RT Book Reviews*, Top Pick! (4.5 stars)

"A.R. Torre's *The Girl in 6E* lifts the veil on the dark, erotic world of camming, but the book contains so many more surprises than that. At the novel's core, a tender heart beats, and the increasingly suspenseful pages fly by as its deepest secrets are revealed. This is a taut, edgy, thrill ride, powerfully gripping and impossible to turn away from." ?David Bell, author of *Never Come Back* and *Cemetery Girl*

"An incredible debut. Gritty, unique, primal, full of angst, oddly feminist, and right up my alley. *The Girl in 6E* deviates from formulaic romance to deliver something truly special and worthy of praise and attention. A dark soul like me isn't often surprised by controversy or taboo subject matter, but this book delivers and I'll be reading more A.R. Torre books in the future. Kudos!" ?CJ Roberts, *New York Times* and *USA Today* bestselling author of *The Dark Duet*

"Dark, edgy, and thrilling in a completely unexpected way." ?Lisa Renee Jones, *New York Times* bestselling author of The Inside Out series
