Michael Vey 4: Hunt for Jade Dragon By Richard Paul Evans

Michael and his friends must rescue a child prodigy as the thrilling action continues in this electrifying fourth installment of the *New York Times* bestselling series!

Michael, Taylor, Ostin and the rest of the Electroclan head to China in search of a girl who may have discovered why Michael and his friends became electric. Her name is Lin Julung, or Jade Dragon, and she's a child prodigy with an IQ higher than Einstein's—and Ostin's.

But Hatch gets to her first, and the Elgen are holding her prisoner in their Taiwan Starxource plant. Now the Voice wants Michael and the Electroclan to go to Taiwan and free her before Hatch can realize his dreams of an army of electric children.

The hunt for Jade Dragon is on, and it's a race against time!

Michael Vey 4

My best friend, Ostin Liss, told me that there is an ancient Chinese curse that says:

MAY YOU LIVE IN INTERESTING TIMES

My name is Michael Vey, and I'm definitely living in interesting times. Just a year ago that wasn't true. In fact, my life was about as exciting as one of Ostin's clogging recitals. I was just an average, no-name freshman at Meridian High School in Meridian, Idaho—a small town where the only thing above average is the cow-to-human ratio. Don't feel bad if you've never heard of Meridian, Idaho. Neither has anyone else.

I lived with my mother, who worked as a checker at the grocery store, in a tiny apartment with eggshell-white walls and green shag carpet. I walked to school every day; avoided bullies, the principal, most types of math, and organized sports; and played video games with my best (and only) friend, Ostin, six out of seven days of the week. And I watched *Shark Week* twice a year. That pretty much summed up my life.

I suppose the only thing vaguely interesting about me was my Tourette's syndrome, which isn't really that interesting because I don't do any of the fascinating things that some people with Tourette's do, like shout out swear words in public or make animal noises. I mostly just blink or gulp a lot. I know, boring.

Actually, what I just said about Tourette's being the only interesting thing about me isn't really true. There's something about me that has always been very interesting—I'm just not allowed to tell anyone. I'm electric.

Which is what's led to my new and very interesting life. For those keeping score, in the last year I've done the following:

- Made friends with a group of kids with electric powers like mine.
- Been locked up in a cell and tortured.
- Shut down a private school.
- Scored a really hot girlfriend. (Still can't believe that one.)

- Flown to Peru and rescued my mother.
- Been tied up and almost fed to rats.
- Blown up a major power plant.
- Made Peru's list of most wanted criminals.
- Been chased through the jungle by helicopters with flamethrowers.
- Lived with the Amacarra tribe in the Amazon jungle.
- Attacked the Peruvian army and rescued my friends before they could be executed for terrorism.
- Blew up the Ampere, a billion-dollar superyacht, before the Elgen could take over and enslave the entire island nation of Tuvalu (which, like Meridian, Idaho, you've also never heard of).

Now we're preparing to fly to Taiwan to rescue a nine-year-old Chinese girl from the Taiwanese army and a group of Elgen superninjas called the Lung Li.

I have a feeling things are about to get a whole lot more interesting.

Users Review

From reader reviews:

Nancy Jackson:

The book Michael Vey 4: Hunt for Jade Dragon can give more knowledge and also the precise product information about everything you want. So why must we leave the good thing like a book Michael Vey 4: Hunt for Jade Dragon? A few of you have a different opinion about guide. But one aim this book can give many data for us. It is absolutely suitable. Right now, try to closer with your book. Knowledge or information that you take for that, it is possible to give for each other; you could share all of these.
