**The Dartmoor Enigma: An Inspector Richardson Mystery** By Basil Thomson

*“I’m writing to you about the death of Mr. Dearborn. You bet the murderer’s laughing up his sleeve now that he’s got away with it.”*

An inquest is held in South Devon on the death of a man apparently killed in a motor accident on Dartmoor: the verdict is “Death from misadventure.” But soon afterwards Scotland Yard and the Devon Chief Constable receive anonymous letters alleging that the verdict was wrong; that the death was caused by blows inflicted by a person, or persons, unknown.

The Chief Constable asks for help from Scotland Yard. Richardson is detailed, as Chief Inspector C.I.D., to unravel the case. A discharged quarryman is suspected by the local police; Richardson clears him. He finds the writer of the anonymous letters, but he also finds that the dead man had shrouded his own past in mystery and was going under an assumed name. It looks like the most difficult case he has had to unravel, but Chance steps in to provide him with a clue...

*The Dartmoor Enigma* was originally published in 1935. This new edition, the first in many decades, features an introduction by crime novelist Martin Edwards, author of acclaimed genre history *The Golden Age of Murder*.

“Sir Basil Thomson’s tales are always good reading, and he has the knack of being accurate about Scotland Yard.” Dorothy L. Sayers

### **Editorial Review**

#### **About the Author**

Sir Basil Thomson (1861-1939) was educated at Eton and New College Oxford. After spending a year farming in Iowa, he married in 1889 and worked for the Foreign Service. This included a stint working alongside the Prime Minister of Tonga (according to some accounts, he *was* the Prime Minister of Tonga) in the 1890s followed by a return to the Civil Service and a period as Governor of Dartmoor Prison. He was Assistant Commissioner to the Metropolitan Police from 1913 to 1919, after which he moved into Intelligence. He was knighted in 1919 and received other honours from Europe and Japan, but his public career came to an end when he was arrested for committing an act of indecency in Hyde Park in 1925 – an incident much debated and disputed.

His eight crime novels featuring series character Inspector Richardson were written in the 1930's and received great praise from Dorothy L. Sayers among others. He also wrote biographical and criminological works.

### **Users Review**

#### **From reader reviews:**

##### **David Hyman:**

The book The Dartmoor Enigma: An Inspector Richardson Mystery make you feel enjoy for your spare time. You need to use to make your capable far more increase.
