##### **Thomas Busch:**

As a college student exactly feel bored to reading. If their teacher inquired them to go to the library or even make summary for some reserve, they are complained. Just small students that has reading's heart or real their passion. They just do what the educator want, like asked to the library. They go to generally there but

nothing reading critically. Any students feel that reading is not important, boring in addition to can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this African/Black psychology in the American context: An African-centered approach can make you really feel more interested to read.
