**Begums, Thugs & White Mughals: The Journals of Fanny Parkes: v. 8** By Fanny Parkes

Fanny Parkes lived in India between 1822 and 1846 and was the ideal travel writer -courageous, indefatigably curious and determinedly independent. Her journals trace her transformation from prim memsahib to eccentric, sitar-playing Indophile, fluent in Urdu, critical of British rule and passionate in her appreciation of Indian culture. Fanny is fascinated by the trial of thugs, the adorning of a Hindu bride and swears by the efficacy of opium on headaches. To read her is to get as close as one can to a true picture of early colonial India -the sacred and the profane, the violent and the beautiful, the straight-laced sahibs and the 'White Mughals' who fell in love with India, married Indian wives and built bridges between the two cultures.
