Contemporary China (Contemporary States and Societies) By Kerry Brown

China has created its own distinctive pathway to becoming one of the world's largest economies – and the country's economic and political development over the next decade will have profound implications for the rest of the world. Knowledge of contemporary China is therefore essential for anyone who seeks to understand politics, business and international affairs in the twenty-first century.

Assuming no prior knowledge, this book presents an accessible and engaging introduction to all aspects of China. Following a scene-setting chapter on the making of modern-day China, the book moves on to examine the country's political and economic structures, its society and culture, and its changing place in the world. Looking to the future, the book also considers the demographic and political challenges which China now faces. Kerry Brown shows that there is a vibrant debate within the country about what China is, in what direction it might go and what sort of power it should become.

The text is illustrated throughout with figures and tables, boxes focusing on key issues and an extensive guide to further reading and useful websites. This accessible and lively book is the ideal starting point for students and general readers who want to know more about this important country.

Editorial Review

Review

'In this essential new text on Chinese politics and society, Kerry Brown expertly presents a complex but nuanced view of China today. This second edition provides useful updates on China in the Xi Jinping era and offers insightful coverage for anyone wanting to know more about this rising power.' - Michael Barr, Newcastle University, UK

Users Review

From reader reviews:

Martin Phair:

What do you think of book? It is just for students because they're still students or the item for all people in the world, what best subject for that? Just simply you can be answered for that issue above. Every person has several personality and hobby for every single other. Don't to be obligated someone or something that they don't need do that. You must know how great as well as important the book Contemporary China (Contemporary States and Societies). All type of book could you see on many sources. You can look for the internet resources or other social media.

Patricia Howard:

As people who live in typically the modest era should be up-date about what going on or info even knowledge to make these keep up with the era that is certainly always change and make progress. Some of you maybe will certainly update themselves by looking at books. It is a good choice for yourself but the problems coming to you is you don't know which one you should start with. This Contemporary China (Contemporary States and Societies) is our recommendation to make you keep up with the world. Why, because this book serves what you want and wish in this era.

James Williams:

The reason why? Because this Contemporary China (Contemporary States and Societies) is an unordinary book that the inside of the reserve waiting for you to snap this but latter it will zap you with the secret it inside. Reading this book alongside it was fantastic author who else write the book in such amazing way makes the content within easier to understand, entertaining way but still convey the meaning totally. So , it is good for you because of not hesitating having this any longer or you going to regret it. This phenomenal book will give you a lot of advantages than the other book include such as help improving your proficiency and your critical thinking means. So , still want to hesitate having that book? If I had been you I will go to the publication store hurriedly.

Johnny Ballance:

Your reading sixth sense will not betray you actually, why because this Contemporary China (Contemporary States and Societies) e-book written by well-known writer we are excited for well how to make book that could be understand by anyone who else read the book. Written in good manner for you, leaking every ideas and writing skill only for eliminate your hunger then you still uncertainty Contemporary China (Contemporary States and Societies) as good book not only by the cover but also with the content. This is one book that can break don't evaluate book by its handle, so do you still needing yet another sixth sense to pick this specific!? Oh come on your studying sixth sense already said so why you have to listening to another sixth sense.
