My Colors, My World/Mis Colores, Mi Mundo By Maya Christina Gonzalez

Maya longs to find brilliant, beautiful color in her world. But when the wind blows, desert sand covers everything, and turns her whole neighborhood the color of dust. With the help of a feathered friend, Maya searches high and low to find the colors in her world. And she does--in the vibrant purple of her Mama's flowers, the juicy green of a prickly cactus, the hot pink clouds at sunset, and the shiny black of her Papi's hair. As they follow Maya's search for all the colors of the rainbow, little readers will be inspired to look around and ask themselves, *where can I find the colors in my world?*

This beautiful bilingual book of colors makes a perfect gift or read-aloud book for young readers learning to explore their world.
