### My Life with the Walter Boys By Ali Novak

From a fresh new voice on the contemporary YA scene, *My Life with the Walter Boys* centers on the prim, proper, and always perfect Jackie Howard. When her world is turned upside down by tragedy, Jackie must learn to cut loose and be part of a family again.

Jackie does not like surprises. Chaos is the enemy! The best way to get her successful, busy parents to notice her is to be perfect. The perfect look, the perfect grades-the perfect daughter. And then...

Surprise #1: Jackie's family dies in a freak car accident.

Surprise #2: Jackie has to move cross-country to live with the Walters-her new guardians.

Surprise #3: The Walters have twelve sons. (Well, eleven, but Parker acts like a boy anyway)

Now Jackie must trade in her Type A personality and New York City apartment for a Colorado ranch and all the wild Walter boys who come with it. Jackie is surrounded by the enemy-loud, dirty, annoying boys who have no concept of personal space. Okay, several of the oldest guys are flat-out gorgeous. But still annoying. She's not stuck-up or boring-no matter what they say. But proving it is another matter. How can she fit in and move on when she needs to keep her parents' memory alive by living up to the promise of perfect?

Ali Novak wrote *My Life with the Walter Boys* when she was just 15 years old. First a hit on the online community Wattpad, this debut novel has already been read over 33 million times and is loved by readers around the world.

### Editorial Review

From School Library Journal

Gr 9 Up—When Jackie's parents and sister are killed, Jackie is relocated from her trendy New York City high-rise to the Walter ranch in Colorado. There she meets the 11 boys (and one girl) being raised by the Walter parents. There is no "cheaper by the dozen" charm here, and the norm seems to be wandering around in boxer shorts, making out in bedrooms, jealous fights, and general dysfunction. The sexual tension feels icky; when Jackie arrives, one boy steals her clothes, a video camera is set up, and bets are placed whether she'll come out of the bathroom naked. Jackie and several boys drink to drunkenness, including openly at a family wedding when both parents are present. It's hard to like, or care about, any of the flat, stereotyped characters, including Jackie. Narrator Renée Chambliss tries to differentiate between Cole, Alex, Nathan, Lee, and the rest, but Jackie has no hint of New York City in her voice. Most libraries could pass on this audiobook, but don't write off Novak permanently. This book was written when the author was 15, and with maturity, she may find a subtler, more authentic voice.—Maggie Knapp, Trinity Valley School, Fort Worth, TX

### Review

"This title will appeal strongly to boy-obsessed readers who will find the romance, particularly the chemistry between Cole and Jackie, to be quite engrossing and the teen voices credible." ---VOYA
