**Nemesis: One Man and the Battle for Rio** By Misha Glenny

**The astonishing story of an ordinary man forced to make a decision that would turn his world upside down**

How did Antônio Francisco Bonfim Lopes, a hardworking young father, become the king of Rocinha, the largest slum in Rio; the head of a drug cartel; and perhaps Brazil's most wanted criminal, known to all as "Nem"? *Nemesis* is the riveting account of his ruthless ascent in Rio's terrifying underworld, his sway over its anarchic outlaw culture, and his accidental fall. Nem tried to bring welfare and justice to a playground of gang culture and destitution, but he quickly found himself embroiled in a world of gold hunters and evangelical pastors, bent police officers and rich-kid addicts, quixotic politicians and drug lords with math degrees.

Spanning rainforests and high-security prisons, filthy slums and glittering shopping malls, *Nemesis* chronicles Brazil's journey into the global spotlight—and the battle for the beautiful but damned city of Rio as it struggles to break free from a tangled web of corruption, violence, drugs and poverty. Nem is held at the center of it all, locked in a fight for his country's future.

*From the Hardcover edition.*

### Editorial Review

#### Review

“Fearlessly reported with impressive detail....Mr. Glenny doesn’t preach or moralize. He shows that law enforcement in Rio is as problematic as the criminals, and in doing so, he paints what seems to be a true picture. This is a balanced book in the best sense.”

“In 1999, with no criminal background, Antonio Francisco Bonfim Lopes was a typical resident of Rocinha, trying to figure out how to survive and support his family in one of Rio de Janeiro’s largest favelas. Less than six years later he was known as Nem, in charge of the large criminal organization unofficially ruling over Rocinha. The story of Nem acts as the glue for this title, in which journalist Glenny successfully explores the history of Rio de Janeiro, focusing on the violence, drug trade, politics, police forces, and related corruption within Rio’s favelas since the 1960s....Glenny employs a writing style that both keeps the story moving and the reader wanting more.”

“His name is Antônio Francisco Bonfim Lopes. But you can call him Nemesis, everyone else does, and he was the don of Rocinha, the largest of Rio’s slums, known as favelas. He is also the protagonist of Misha Glenny’s fine book, the grim, elucidating *Nemesis: One Man and the Battle for Rio*.... For all the tale’s vileness, it is very skillfully told and a very strong piece of journalism.”

“A balanced, but ultimately sympathetic, biography of the leader of a relatively small local drug cartel. Nem’s personal story anchors more profound reportage about Brazil’s parallel economic and political systems?specifically, Rocinha’s existence as a largely autonomous urban community and what happens when the government attempts to destroy, substantially reduce, or otherwise encroach on that autonomy.”

“Incredible.... an epic, painstakingly detailed story about the rise of a favela kid to king of an empire.... what Glenny does so well is explain the context for Rio’s drug world, and the battle to contain and (to use the word local officials concerned about Rio’s global image employ) “pacify” it. What emerges is not just a study of one man and how he came to control a cartel, but a portrait of a city bursting with new arrivals from poorer parts of Brazil, unfortunates who wind up clustered in shantytowns that lack adequate water, electricity and, crucially, economic opportunity.... Without glorifying Nem or trying too hard to justify his bitterly violent enterprise, Glenny humanizes a kind of person we tend to see drawn as a two-dimensional character. And he shows how the fortunes of Rio ? to say nothing of its reputation on the world stage ? are tied to its ability to do well by its poorest and most marginalized citizens.”

#### About the Author

Misha Glenny is the author of *Dark Markek McMafia*, *The Rebirth of History*, *The Fall of Yugoslavia* (which won the Overseas Press Club Award in 1993 for Best Book on Foreign Affairs), and *The Balkans: Nationalism, War and the Great Power, 1804-1999*. He was a BBC Central Europe correspondent—he covered the fall of Communism and the wars in the former Yugoslavia—and has been regularly consulted by the U.S. and European governments on major policy issues.

Zach began pursuing the creative life early on in his mother's dance studio. He upped his artistic ante by transferring to Interlochen Arts Academy where he began to study acting. Zach Villa has acquired considerable acclaim as an actor, musician, vocalist, dancer & songwriter. A 'jack of all trades,' Zach appeared on Broadway and at Carnegie Hall before re-locating to the West coast
