### Sweaty Equipment By Thomas Carver

Some gay college guys dream about getting close to football jocks' sweaty equipment, but not Ted. Musclebound meatheads aren't his type, and sports are a waste of time. But he needs money, and equipment manager for the football team is the only work study left on campus. The coach openly dislikes him, the jocks humiliate him, and yet -- there's something appealing about a job well done. Soon, the football players find him indispensable, not just for washing their filthy uniforms and repairing their pads, but also for taking care of more intimate needs, in and out of uniform. College guys are a horny bunch, and football players are hornier than most, and Ted finds that he has some room in his heart, or at least in some parts of his body, for their needs after all. This 25,000 word story is a gay football romance with scenes of oral sex, anal sex, rough gay sex, and other kinky activities.
