Editorial Review

From School Library Journal

Grade 3–6—Holub and Williams take readers into the world of the preteen goddesses at Mount Olympus Academy, which is staffed by the likes of Mr. Cyclops and the principal, Zeus. In the first book, 12-year-old Athena's life changes when a papyrus scroll blows into her window informing her that she's Zeus's daughter and must attend Mount Olympus Academy with the other "godboys" and "goddessgirls." At first she's doubtful she can balance school, a social life, and extracurricular activities; however, Athena proves her intellect by ending the Trojan War in Hero-ology, winning the invention fair, and thwarting mean-girl Medusa. In the second title, Persephone is a self-proclaimed phony. She's overly agreeable and conforms to the opinions and pressures of others. While escaping to Earth to get some peace, she wanders into a graveyard and begins a relationship with Hades, the misunderstood outcast. In the end, she learns that true friends will like you even if you express differing opinions. On top of Mount Olympus, the authors intertwine an enchanting mythological world with middle-school woes compounded by life as a deity or blessed mortal. The books should be popular with fans of girly, light fantasy. Be ready to refer readers to solid books on Greek mythology for further reading.—Adrienne L. Strock, *Maricopa County Library District, AZ*

From Booklist

Everything changes for 12-year-old Athena the day she is summoned from Earth to Mount Olympus by none other than her (surprise!) dad, Zeus. She enrolls at Mount Olympus Academy, a place of godboys and goddessgirls, where classes like Hero-ology, Spell-ology, and Beauty-ology complete a proper goddess education. Jealous Medusa tries to sabotage Athena, but quick thinking and good friends help her prevail over the bitter girl with the weird hairdo. This is a clever take on Greek deities and the Trojan War, but younger readers may not appreciate just how adroitly the authors tell the tale and older readers may want a richer mixture of character and dialogue than exists in this candy-coated story. Still, aside from questions of audience, this is a quick, agreeable read particularly well suited for those who enjoy a good Disney princess movie now and then. The next book in the Goddess Girls series, *Persephone the Phony*, is already available. Grades 4-6. --Cindy Welch

Review

A clever take on Greek deities. -- *Booklist*

On top of Mount Olympus, the authors intertwine an enchanting mythological world with middle-school woes compounded by life as a deity or blessed mortal. The books should be popular with fans of girly, light fantasy. -- *School Library Journal*

From reader reviews:

Clarence Hamm:

Have you spare time for any day? What do you do when you have a lot more or little spare time? Yeah, you can choose the suitable activity for spend your time. Any person spent their spare time to take a stroll,

shopping, or went to the actual Mall. How about open as well as read a book titled Athena the Brain (Goddess Girls)? Maybe it is to get best activity for you. You know beside you can spend your time together with your favorite's book, you can cleverer than before. Do you agree with its opinion or you have additional opinion?

Eva Ammons:

Reading a e-book tends to be new life style in this era globalization. With studying you can get a lot of information that can give you benefit in your life. Along with book everyone in this world could share their idea. Guides can also inspire a lot of people. A lot of author can inspire their reader with their story or perhaps their experience. Not only the storyplot that share in the guides. But also they write about advantage about something that you need illustration. How to get the good score toefl, or how to teach children, there are many kinds of book that you can get now. The authors nowadays always try to improve their expertise in writing, they also doing some analysis before they write to their book. One of them is this Athena the Brain (Goddess Girls).

Lorraine Wheat:

Athena the Brain (Goddess Girls) can be one of your starter books that are good idea. We recommend that straight away because this reserve has good vocabulary that could increase your knowledge in terminology, easy to understand, bit entertaining but nonetheless delivering the information. The article author giving his/her effort to get every word into joy arrangement in writing Athena the Brain (Goddess Girls) but doesn't forget the main place, giving the reader the hottest and also based confirm resource facts that maybe you can be one of it. This great information can easily drawn you into completely new stage of crucial contemplating.

Bobbie Freeman:

As a pupil exactly feel bored to reading. If their teacher asked them to go to the library or to make summary for some e-book, they are complained. Just tiny students that has reading's spirit or real their interest. They just do what the educator want, like asked to the library. They go to there but nothing reading critically. Any students feel that reading is not important, boring and can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this period, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Athena the Brain (Goddess Girls) can make you feel more interested to read.
