**Batman: The Killing Joke, Deluxe Edition** By Alan Moore, Brian Bolland

A *NEW YORK TIMES* BESTSELLER

Presented for the first time with stark, stunning new coloring by Bolland, **BATMAN: THE KILLING JOKE** is Alan Moore's unforgettable meditation on the razor-thin line between sanity and insanity, heroism and villainy, comedy and tragedy.

According to the grinning engine of madness and mayhem known as The Joker, that's all that separates the sane from the psychotic. Freed once again from the confines of Arkham Asylum, he's out to prove his deranged point. And he's going to use Gotham City's top cop, Commissioner Jim Gordon, and his brilliant and beautiful daughter Barbara to do it.

Now Batman must race to stop his archnemesis before his reign of terror claims two of the Dark Knight's closest friends. Can he finally put an end to the cycle of bloodlust and lunacy that links these two iconic foes before it leads to its fatal conclusion? And as the horrifying origin of the Clown Prince of Crime is finally revealed, will the thin line that separates Batman's nobility and The Joker's insanity snap once and for all?

Legendary writer Alan Moore redefined the super-hero with **WATCHMEN** and **V FOR VENDETTA**. In **BATMAN: THE KILLING JOKE**, he takes on the origin of comics' greatest super-villain, The Joker —and changes Batman's world forever.

Stunningly illustrated, **BATMAN: THE KILLING JOKE, THE DELUXE EDITION** has been lushly re-colored by artist Brian Bolland, presenting his original vision of this modern classic for the first time.

### Editorial Review

Amazon.com Review

*The Killing Joke*, one of my favorite Batman stories ever, stirred a bit of controversy because the story involves the Joker brutally, pointlessly shooting Commissioner Gordon's daughter in the spine. This is a no-holds-barred take on a truly insane criminal mind, masterfully written by British comics writer Alan Moore. The art by Brian Bolland is so appealing that his depiction of the Joker became a standard and was imitated by many artists to follow.

From School Library Journal

This classic, infamous story in the *Batman* saga has been recolored with a more effectively cooler palette and set into context with an introduction and an afterword. Escaped from Arkham Asylum, villain deluxe Joker shoots Barbara "Batgirl" Gordon as part of his plan to drive her police commissioner father insane. Intending to prove that anyone can go mad after "one bad day" as he describes in his putative origin story, the Joker also kidnaps and torments Commissioner Gordon. But Gordon remains sane, and Batman recaptures the Joker—the two actually share a laugh at the ambiguous ending. With Barbara Gordon now a paraplegic, the story stands as a chilling profile of madness. *The Killing Joke* provoked fury among many readers who lamented the disposal of Barbara Gordon as a mere pawn to testosterone; yet Gordon reinvents herself later as superinfohacker Oracle, poster girl for disability empowerment (see *Birds of Prey*, *LJ* 7/08). A bonus story at the end paints the quieter, equally chilling madness of a Batman fan fantasizing about killing the superhero—a perfect foil for the publicly gaudy Joker. For adult collections.—M.C.

Review

"Easily the greatest Joker story ever told, BATMAN: THE KILLING JOKE is also one of Alan Moore's finest works. If you've read it before, go back and read it again. You owe it to yourself."—IGN

"...a genuinely chilling portrayal of Batman's greatest foe."—Booklist
