### Editorial Review

#### Review

"A smack in the face that will force you to reevaluate your world view. What *Ho Tactics* did for Sugar Babies; *Men Don't Love Women Like You!* does for every woman that has ever felt unappreciated. Lambert has crafted a harsh gut check that seems more concerned with revamping the minds of insecure ladies than adding to the never ending circus of redundant relationship books. An advantageous playbook that feels more akin to a fiery manifesto, the Spartan revolution has begun." --The Philadelphia Monitor
