Noah's Ark: A Touch and Feel Book By Caroline Jayne Church

When God tells Noah that it is going to rain for a long time, Noah builds a big boat to shelter the animals. As the dark gray clouds gather, Noah finds two of every animal to join him on the ark—soft tigers, rough elephants, furry giraffes and fluffy rabbits. There the rough and the smooth animals shelter together until the rains stop and the floods clear—and the reader discovers the surprise lift-the-flap ending.
