Have you ever wondered if you're using Controlling SAP ERP as efficiently as you could be? Here you go: SAP PRESS equips you with 110 tips that unlock the secrets of working with nine modules within the SAP Controlling component!

With this book, users of all levels will:

Save time!

With the shortcuts and workarounds provided, you'll learn how to complete your daily Controlling tasks faster and more elegantly.

Learn quickly

Full of screenshots and instructions, this book will help you pick up tips and tricks in no time, such as effectively configuring cost estimate data to improve the accuracy of your planning results.

Develop new skills

You'll discover new ways of doing your work and find yourself saying, "I wish I'd known how to do this a long time ago!"

Tip 70

You can remove the tax warning message with posting a journal entry!

When posting a journal entry with Transaction FB50, a warning message about tax relevance may appear.

You can easily remove this message for certain users who aren't required to enter such tax codes in their work. Find out more on page 203!

About the Author
