Editorial Review

Review

"This handy book is indispensable for anyone new to the field for learning classification and cataloging practice in the dynamically-changing library and information environment. And no doubt it is equally useful for veteran cataloguers and teachers of the subject." - **Knowledge Organization**

Review

"I'm very pleased with the approach of the authors, since school libraries will encounter AACR2 along with RDA in their upcoming cataloging experiences. The examples are excellent!" (Barbara Schultz-Jones, Associate Professor of Library and Information Sciences, University of North Texas)
