U.S. History For Dummies By Steve Wiegand

Ace your next history test with this concise, easy-to-read guide

U.S. History for Dummies, 3rd Edition fills the need to improve high school proficiency in history by providing a complete history of the United States, presented in an accessible, reader-friendly format designed to engage students while reinforcing lessons learned in class. The National Assessment of Educational Progress 2011 report showed that only 12% of high school seniors in the U.S. perform at a "proficient" level in history. This, coupled with the fact that U.S. History courses and AP exams have been redesigned to remedy the situation, means that many students and parents are in need of a supplemental study guide.

Award-winning political journalist and history writer Steve Wiegand guides you through the events that shaped our nation, from pre-Columbian civilizations to the 21st century. The explorers, the wars, the leaders, and the eras are all fully explored and explained, demonstrating how the past influences the future. From the Boston Tea Party to the current Tea Party, the updated 3rd edition includes information about events that have occurred since the previous edition's 2009 release. New coverage includes:

- Recession recovery, including federal efforts, unemployment, and the widening class divide
- The rise of the extreme right and the bitter divisions between political parties and geographic regions
- Seeking the balance between superpower and domestic caretaker
- The impact of social media, government surveillance, and cyber crime

Not all history is old news, and what happened yesterday affects us all today. It is vitally important that all U.S. citizens are well-versed in the building of our nation, and remain aware of current events. For students and parents wondering what they've missed, *U.S. History for Dummies, 3rd Edition* unlocks the door to the past—and the future.

Editorial Review

From the Back Cover

Learn:

- To appreciate the people, events, and places that shaped our nation
- The most controversial occurrences of the modern U.S. times
- The names and dates you need to know to score higher on your next U.S. History Exam

The easy way to score higher in U.S. History

U.S. History For Dummies, 3rd Edition guides you through the events that shaped our nation, from the Boston Tea Party to the current Tea Party, and everything in between. For students looking to ace their next history exam, or anyone who wants to brush up on U.S. history, this easy-to-follow guide covers the wars, leaders, and eras that influenced where we are now, as well as and where we're headed.

- They're coming to America — get to know the first-known settlers on American soil, the first non-Native Americans to explore the New World, and the first efforts of Europeans to create an actual settlement in America
- You say you want a revolution — meet some of the most influential people in the early days of the United States and examine wars fought against pirates, England, Native Americans, and Mexico
- TV, Elvis, and reds under the bed — take a look at the Cold War and how a booming economy, a move to the 'burbs, and the invention of television shaped American life
- The new face of America — explore one of the most controversial presidential elections in U.S. history, the biggest terrorist attack in modern times, the worst economic crisis since the Great Depression, and more

Open the book and find:

- Interesting Americans, from political figures to national treasures
- The gold rush and industrial development
- The impact of the World Wars
- Causes and consequences of the Great Depression
- Life in America from Camelot to Watergate
- A look at how social media and technology are shaping America
- Ten events that helped define American culture

Users Review

From reader reviews:

Linda Poteat:

What do you with regards to book? It is not important along with you? Or just adding material when you need something to explain what your own problem? How about your spare time? Or are you busy person? If you don't have spare time to perform others business, it is give you a sense of feeling bored faster. And you have spare time? What did you do? Everyone has many questions above. They should answer that question due to the fact just their can do in which. It said that about reserve. Book is familiar in each person. Yes, it is right. Because start from on guardería until university need this specific U.S. History For Dummies to read.

Holley Shipman:

This U.S. History For Dummies book is absolutely not ordinary book, you have after that it the world is in your hands. The benefit you will get by reading this book is information inside this book incredible fresh, you will get information which is getting deeper you read a lot of information you will get. This U.S. History For Dummies without we know teach the one who examining it become critical in considering and analyzing. Don't possibly be worry U.S. History For Dummies can bring whenever you are and not make your tote space or bookshelves' come to be full because you can have it in your lovely laptop even telephone. This U.S. History For Dummies having fine arrangement in word and layout, so you will not experience uninterested in reading.

Ariane Gray:

Many people spending their period by playing outside having friends, fun activity along with family or just watching TV the whole day. You can have new activity to pay your whole day by looking at a book. Ugh, ya think reading a book can really hard because you have to use the book everywhere? It okay you can have the e-book, taking everywhere you want in your Smart phone. Like U.S. History For Dummies which is keeping the e-book version. So , try out this book? Let's see.

Matthew Sammons:

Do you like reading a e-book? Confuse to looking for your preferred book? Or your book ended up being rare? Why so many concern for the book? But any people feel that they enjoy to get reading. Some people likes looking at, not only science book but in addition novel and U.S. History For Dummies as well as others sources were given understanding for you. After you know how the good a book, you feel wish to read more and more. Science reserve was created for teacher or perhaps students especially. Those textbooks are helping them to bring their knowledge. In various other case, beside science guide, any other book likes U.S. History For Dummies to make your spare time considerably more colorful. Many types of book like this.
