### Behind The Eight Ball By Craig Furchtenicht

The plan was simple enough, as far as spur of the moment plans went. Robbing a junkie with no hands of his copious stash of smack and hopefully a respectable sum of currency should have been no sweat. Park a couple blocks down the street, walk in and rush the place to liberate the dope fiend pervert of his ill-gotten goods. Knocking off a helpless cripple and his handful of strung out groupies that probably didn't really want to be there in the first place was easy as taking candy from a baby. Or so they thought. The two surviving members of The Dimebag Bandits are back and this time they may be in over their heads. When a seemingly easy job turns bloody, the boys haul in the score of a lifetime. Only problem being, that lifetime might just be ending sooner than they think. Amidst the junkies, the terrorists and the constant backstabbing... they may truly be stuck Behind The Eight Ball.
